

Join us for an evening of luxury. Treat yourself to some goodies with our multiple vendors and take a summer night stroll through the Garden Center. There will be “Ladies Night” specials and sales throughout the garden center along with refreshments, and other amazing local businesses.

*Make it a date night, bring the girls, or come and make new friends; we'll have something for everyone!*

Makeup, hair accessories, clothing, skin care, and more... all in one place! Our first year was such a success; we wanted to do it all over again! Everything we ladies love, but surrounded by luscious plants, all during a warm summer night. **Would you like to join us and be a part of it?**

The date is scheduled for Wednesday July 12<sup>th</sup> from 4pm-7pm, right here at GreenScapes Garden Center in Whitesboro. We've held several fundraisers here ranging from bake sales, raffles, paint & sips, to wine and beer tastings... and people LOVE it! Add a bonfire and a calming, trickling water feature on the patio, and there is nothing more relaxing.

We have space for several vendors under our covered greenhouse, and more room outside, but, unfortunately, we cannot control the weather – if you'd like an outside spot, feel free to bring a pop-up tent. We can have power available if needed (limited number of spaces), and everyone will be provided a table to display your items. My hope is for ladies (and gentlemen!) to come in, do a little shopping throughout the Garden Center, and then continue their shopping with our featured vendors. Sip coffee, taste wines, have some pastries, and indulge a bit in all the things we all love.

I'm sending you this letter because I feel that you and your business you be a perfect fit for this event. We are going to leave the event open to the public; we are just asking each vendor pay a \$20 fee to cover the cost of the marketing materials and table/chair/tent rentals. Any monies raised above and beyond the cost of putting on the event will roll over into our #PinkDays fundraiser for Breast Cancer Awareness this Fall. You can bring any items you'd like to feature, offer demonstrations, or samples, and get your product or services out there in front of some new customers!

So, would you like to be part of this amazing local event? Reserve your spot today! (See the next page for the sign up form.) We hope to see you all there and I'm sure this will be an event to host year after year!

Thank you,

Mollie Wadsworth
