Tell us what you would like to accomplish with this project:

What direction does your area face? North South East West

Is it sunny or shady; how many hours of sunlight does the area receive each day?

Is the area protected, or in a windy spot?

Is privacy an issue, or are you looking to block anything?

How is the drainage in this area? Is it usually wet or dry?

Plants & Colors (evergreens, trees, shrubs, annuals, and perennials)

Take a walk through the garden center and make note of what things you like the looks of.

We will select items from your list that will work best in your planting area.

Trees:
Shrubs:
Evergreens:
Annuals:
Perennials:
Other:

Anything else? (garden décor, water features, walkways, accent stones, etc.)
