

Dear Business Owner/Event Manager,

GreenScapes will be hosting our 8th annual *“Pink Days”* Friday, September 20th – Sunday September 22nd at the Garden Center. This event is a *fun ’raiser* for a deserving local family and the Breast Cancer Research Foundation (www.bcrf.org) as part of the Invincibelle® Spirit Campaign for a Cure. (www.invincibellespirit.net).

As part of this year’s event, we will also be hosting our Annual *“VIPink Night: A Wine & Beer Tasting”*, and for this we need you. The event is being held on Friday, September 20th starting at 5pm. We are looking for Wineries and Breweries to be featured at the event and offer free samples and tastings to the “VIPs”.

The event will be held after hours in our open-sided, covered greenhouse inside the garden center. You would be surrounded by our new patio area, beautiful flowering plants, with live music, hors d'oeuvres being served, raffles for amazing prizes, and lights twinkling during this lovely fall night in the garden. We will have glasses for our VIP’s to use for tastings, but every vendor brought their own last year; the choice is yours.

Each vendor would be provided with a 6-foot table with table cloth and power hook-up if needed. We ask that you arrive by 4 pm to set up your table (we will notify you of any time changes). If additional space or tables are needed, we will do our best to accommodate your needs; just let us know as soon as you can. We will have several volunteers on hand to assist you in setting up in any way necessary. Your company will also be featured in all publications, press releases, social media and advertisements for the event. Photos will be taken, and posted the following day on social media sites; all featured vendors would be acknowledged on all sites, plus copies sent to you if you would like.

We understand that travel and samplings can become costly. With this event being a fundraiser, we only ask that you provide small samples or tastings free of charge. You are encouraged to sell full bottles or cases, along with any other merchandise your company offers to sell to attendees. We do ask that you provide any necessary NYSLA Permits or Licenses for this type of event.

If you are interested in participating in this amazing fundraiser, please contact me at your earliest convenience. I look forward to working with you for this event and hopefully for years to come!

Thank you,

Mollie Wadsworth
