

Dear Friends & Community Business Owners,

GreenScapes will be hosting our 8th annual ***“Pink Days”*** Friday September 20<sup>th</sup> – Sunday September 22<sup>nd</sup> at the Garden Center. This event is a fun’raiser for a deserving local family and the Breast Cancer Research Foundation ([www.bcrf.org](http://www.bcrf.org)) as part of the Invincibelle® Spirit Campaign for a Cure. ([www.invincibellespirit.net](http://www.invincibellespirit.net)).

As part of this year’s festivities, we will be hosting our annual ***“VIPink Night: A Wine & Beer Tasting”***. The event is being held on Friday, September 20<sup>th</sup>, and we will have local wineries and breweries featured at the event to offer samples and tastings to the “VIPs”, as well as live music. In an effort to maximize the potential of this wonderful cause, Pink Days will extend into the weekend with chances at raffle prizes and PINK specials throughout the Garden Center.

With our goal of making the most impact that we can in the name of such a worthy cause, we are looking to generous companies and individuals for donations to the raffles. The last 7 year’s raffles were a great success with some creative baskets with the generous help of potential donors like you. Past donors such as Warner Sales, Geraty Pools & Spas, Meyda Lighting, Bagel Grove, A&P Master Images have made such an impact with their tremendous donations in previous years, and we would greatly value your consideration of contributions, either as a new or returning partner. “How can you help? If participation in this worthwhile cause is something you are compelled to assist with, you can sign up today to be a sponsor, for which we would be most appreciative. Participation includes features on our website, press releases, and other social media outlets, which have garnered increased exposure with the success of our event over the last several years.

Most important to consider in relation to this request is the impact you will have on individual(s) who may be affected by the biggest fight of their lives to date. As in years past, we’ve chosen a “Pink Days Ambassador” to receive a large portion of the funds raised. Previous recipients used the funds for medical bills, living expenses and family vacations. We strive to raise as much money as possible to help ease the burden this disease puts on families. Stay up-to-date on our website and social media to see this year’s recipient’s story.

We at GreenScapes greatly appreciate your support; whatever form it comes in. The success of this event will be attributed to the participants and the generous people and businesses in our community. Your time and donations will help raise funds help bring awareness and research funds to the individuals who run the risk of developing breast cancer at some point in their life or are currently fighting this disease.

If you know of anyone who would like to be part of this event, please forward this along to them.

Thank you again for your support!
